

HOW HEALTHCARE *Benefits Women & Children*

- You can't be denied care because you are sick or have a *pre-existing condition*.
- Your children can stay on your healthcare policy to *age 26*.
- You get *guaranteed preventative services* like birth control, mammograms and cervical cancer screenings with no co-pays or deductibles.
- *You have the right* to a reasonable break time and place to express breast milk at work.
- You get *trained professionals* to help you with pregnancy and a new baby, up to three years.
- Senior women and their caregivers have *access to help*.
- Medicare *prescription drug coverage* will help save money.

You must be enrolled by February 15th, 2015... don't wait!
