

HOW TO ENROLL *in healthcare*

**auto
renewal**

If you are eligible for **auto-renewal** and have reviewed and want to be enrolled in the 2015 version of the plan and have no household changes, no action is required.

**1st
time**

For plan selection for 2015 or if you are not eligible for auto enrollment, you need to log into **accesshealthct.com** and select a 2015 plan and carrier. In order to enroll for the **1st time**, patients will need the following for every member of the family who needs coverage:

1. Birth dates
2. Social security numbers
3. Citizenship or immigration status and certificate of naturalization (if applicable)
4. Federal income tax returns from the most recent year
5. Employer and income information (pay stubs, W-2 forms)
6. Health care coverage information (policy numbers)

This year, patients will have the choice of four health care coverage providers: Anthem, Connecticare, Healthy CT and United Healthcare or patients may qualify for Medicare or Medicaid.

You must be enrolled by February 15th, 2015... don't wait!
